### Business Interests and Additional Occupations: March 2021

Cheshire Constabulary has a procedure for the approval of any business interest or the taking of additional employment by any officer or member of staff to ensure there will be no conflict of interest with the work of the Constabulary, the role of the police, or the ability of any member of the force holding such a business interest or additional occupation to discharge his or her duties impartially.

This procedure fully adopts the provisions set out in the ACPO Guidance on Business Interests and Additional Occupation (October 2012) and ensures compliance with the Police Regulations (2003), as amended by the Police (Amendment) Regulations 2015.
