### Juvenile detentions in Cheshire

Cheshire police take every opportunity to ensure the arrest of juveniles (anyone under 18 years of age) is kept to an absolute minimum. In basic terms the arrest of a juvenile is seen as the last resort after all other options have been considered.

- The majority of young persons arrested in Cheshire are aged 17 years.
- All operational staff have been trained in PACE Code G, "necessity criteria" for arrest.
- All young persons will have an appropriate adult allocated to them.
- Cheshire Police provide dedicated cells for Juveniles, equipped with toilet and washbasin, CCTV and are located closest to the Custody Sgt.
- All young persons in Custody are automatically referred to the custody Health care practitioner for a welfare review.
- Young persons detained in Custody are prioritised to ensure they spend as little time in custody as possible.
- Dedicated reading material is available for use by young persons.

Total number of arrests of young persons which resulted in an overnight detention in May 2018 – 29 (2.0% of total arrests made).

During June 2018, there were 4 overnight detentions that fitted the criteria, (in accordance with the established joint agency protocol), for requests to be made to the Local Authority for alternative accommodation

4 requests were for non-secure accommodation – not accommodated

However, the Police only made a request for 1, for the other 3 the reasons for not requesting were:-

- Not charged until 05:12am, so it is appropriate that LA accommodation would not have been sought as the DP would be required for court at 10am
- Decision made that to remain in custody would be best option for welfare of DP
- Concern is that DP will Fail to Surrender as they are already subject of an investigation in Merseyside

\*Overnight detention defined as more than 4 hours in police detention between the hours of midnight and 8am
